Art Display Selection

The Stockton Art Commission recognizes that while there are many outstanding art pieces available for display, the Commission must choose art for the limited display area. The Stockton Arts Commission shall select the art to be displayed based on artistic merit, creative excellence, intellectual richness, as well as its contribution towards the spirit, goals, and theme of the proposed exhibit. In such cases the judges or art groups shall recommend several pieces for display from which the City may select the limited number of art pieces to be displayed. Art depicting specified anatomical areas and specified sexual activities shall not be displayed.
