PLAN REVIEW SUBMITTAL CHECKLIST – ACCESSORY DWELLING UNIT (ADU/JADU)

COMMUNITY DEVELOPMENT DEPARTMENT • 345 N EL DORADO STREET • STOCKTON, CA 95202 • (209) 937-8561
www.stocktonca.gov/buildinginspection

Below is a checklist of items that are typically required for an Accessory Dwelling Unit (ADU) or Junior Accessory Dwelling Unit (JADU) project. This checklist should be used as a guide to ensure that you provide a complete permit submittal, not all items may be applicable to your project, additional items may be requested as needed based on the project scope. Providing a complete submittal is critical to receiving a thorough plan review and expediting the permitting process.

Planning Division Permits:

If your project is located in a Design District, a Planning Division permit may be required prior to providing a submittal for building permit plan review. To find out if your project is located in a Design District, please contact the Planning Division at (209) 937-8266.
