Movies At The Point Seeking Community Sponsors

(Stockton, CA) – The City of Stockton Community Services Department is preparing for another fun-filled summer with *Movies At The Point*. This summer event is made possible through the generous support of local sponsors that keep this family-friendly event going each year.

Movies At The Point features a different movie the second Friday of every month, beginning in June and ending in October. Businesses can get their names in front of crowds of family and friends enjoying PG-rated films at the beautiful Weber Point Event Center in downtown Stockton.

“The City of Stockton’s Community Services Department is proud to partner with local businesses and organizations through *Movies At The Point* to encourage our community to gather in a positive environment, to get to know our neighbors better, and to create lasting memories,” said John Alita, Director of Community Services.

“Providing this event free of charge means all Stocktonians can enjoy the great events and community spirit our City has to offer.”

Sponsorship opportunities range from \$100 to \$3,000 with businesses receiving recognition for their participation in event advertising. To learn what each level offers your organization, please contact Jackie Garcia-Flores at (209) 937-8119 or email Jackie.Garcia@stocktongov.com.

For information about this event and other services, visit stocktongov.com/recreation and “Like” us on Facebook (facebook.com/COSRecreation).
