GENERAL PLAN “ENVISION STOCKTON” COMMUNITY OUTREACH

(Stockton, CA) – The City of Stockton continues to update its General Plan, the plan that determines future development and growth of the city, through the year 2040. Community outreach has been scheduled for Wednesday, February 1, from 3:00 to 5:00 p.m. at the Supermercado Los Titos, 2481 E. Main Street. Everyone is encouraged to attend and participate. Information about the General Plan, questions, comments, and discussion will be in both English and Spanish.

Extensive community involvement and participation is essential to the process called “Envision Stockton.” The new General Plan will serve as the City’s blueprint for future decisions regarding land use, community services, mobility, housing, and resource conservation. Please join us and share your thoughts and ideas about:

- Types of businesses, land uses, and activities that are important to you;
- Your ideas about what the focus of the City-wide plan should be; and
- Your preferences for the design and look of new buildings in Stockton.
