OFFICE OF VIOLENCE PREVENTION DATA AND DONUTS EVENT ***Presentation at Seifert Community Center***

STOCKTON, Calif. – The City of Stockton Office of Violence Prevention (OVP) will be sharing information about the work they do and the positive steps they take toward reducing violent crime in our community. *Data and Donuts* will be held Wednesday, Feb. 27, 2019, 6 – 7:30 p.m., at Seifert Community Center, 128 W. Benjamin Holt Drive. This public presentation – focused on actual data and statistics – is open to anyone interested in violence reduction.

“*Data and Donuts* provides an informative, welcoming event to keep the community up-to-date on the efforts of the Office of Violence Prevention,” said OVP Manager LaTosha Walden. “We hope more members of the community will join us at this evening presentation, as we share statistics and interventions against violent crime. The more we share about violence reduction strategies, the more at-risk individuals we can help create better lives for themselves, their families, and the community.”

For more information, please call the Office of Violence Prevention at 209-937-8880 or email ovp@stocktonca.gov.
