City of Stockton Offers Free Family-Friendly Drive-in Movies ***DRIVE-IN MOVIE SERIES BEGINS MARCH 19***

STOCKTON, Calif. – Get ready for our first Drive-in Movie Series, a family-friendly and socially-distanced event from the City of Stockton Community Services Department brought to you from the parking lot behind Weberstown Mall. Just like the original drive-in movie locations, we ask that you drive-in and enjoy hit movies with family and friends from inside your car. Closed captioning is provided for the hearing impaired, upon request. The Drive-in Movie Series will take place rain or shine.

Drive-in Movies is a free film series. The first community drive-in movie event will be Friday, March 19 with the featured film, “The Croods: A New Age” (PG). Another drive-in movie night is scheduled for Friday, June 18. The featured movie will be another hit movie that can be enjoyed by the entire family.

Gates to the UEI Parking Lot (behind Weberstown Mall) open at 6:00 p.m. and movies begin at dusk. Admission is free and parking is first-come, first-served. Movie-goers will listen to the audio portion of the movie through an FM station on your car radio; the FM station number will be provided at the event. Bringing your own concessions is encouraged, as everyone must stay in their vehicle. Portable restrooms will be available. Masks must be worn when outside of your vehicle. Glass containers/bottles, alcohol, and smoking are not permitted at the event.
