
 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-844-8392. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-844-8392 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$750/individual, \$2,250/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Contract and out-of-area <u>provider</u> office visits, online visit, <u>emergency room care</u> for an <u>emergency medical condition</u> , contract <u>provider</u> <u>preventive care</u> , adult physical exam benefit with non-contract <u>providers</u> , <u>preventive care</u> for children with an out-of-area <u>provider</u> , outpatient <u>prescription drugs</u> , dental and vision expenses.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	The medical <u>coinsurance</u> maximum for contract <u>providers</u> is \$3,000/individual. The out-of-pocket limit for cost sharing for contract <u>providers</u> (includes copays and coinsurance) is \$5,275/individual; \$10,550/family. The <u>out-of-pocket limit</u> for in- <u>network</u> outpatient <u>prescription drugs</u> is \$1,875/individual, \$3,750/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Medical <u>out-of-pocket limit</u> does not include <u>premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> , outpatient <u>prescription drugs</u> , dental/ vision expenses, non-contract <u>provider</u> <u>cost sharing</u> (except for <u>emergency room care</u> for an <u>emergency medical condition</u>) and health care this <u>plan</u> doesn't cover. <u>Prescription drug out-of-pocket limit</u> (in- <u>network</u>) does not include <u>premiums</u> , <u>balance-billing</u> charges, amounts over generic equivalent cost if you choose a brand drug when a generic is available, medical expenses, dental/ vision expenses, out-of- <u>network</u> pharmacy expenses, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.anthem.com/ca or call 1-800-844-8392 for a list of contract providers in California. For a list of Blue Card contract providers outside of California, see www.bluecares.com or call 1-800-810-2583. For a list of chemical dependency providers , call Assistance & Recovery Program (ARP) at 1-800-562-3277.	You pay the least if you use a contract provider . You pay more if you use an out-of-area provider . You will pay the most if you use a non-contract provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
