

Save money on your monthly commuter parking and transit expenses when you enroll in a pre-tax Parking & Transit Plan!

What is the Parking & Transit Pre-Tax Plan?

The Parking and Transit Plan enables you to save taxes on the money you use to pay for work-related parking or transit expenses by using pre-tax dollars on eligible commuter costs. Depending on your tax bracket, you could save up to 40% on state, federal and FICA taxes.

How Does It Work?

Estimate the money you expect to pay for parking or transit and have that dollar amount withheld from your paychecks pre-tax each month. You can even specify an amount to use for occasional bus or metro rail travel. The money you elect to be withheld from your paycheck is credited to an account in your name that is used to pay for your parking or transit expense.

For Example:

Let's assume you spend \$100.00 per month for parking or transit at work. This expense is inevitable for you because you drive or travel to work every day. The average person's tax bracket is about 30%, meaning they have to make \$143.00 in income to be able to take home \$100.00 as disposable income after tax deductions have been made.

By signing up for the Parking and Transit Plan, \$100.00 will be withheld from your paychecks over a month-long period pre-tax, so you never have to pay the state, federal and FICA taxes on your parking or transit expenses! If you fall within a 30% tax bracket this will save you \$30 every month!

PLEASE NOTE: if you term employment, unused commuter and parking amounts are forfeited. You can submit parking claims for eligible expenses incurred while actively employed. Per IRS regulations, transit claims can not be submitted for reimbursement.
