

# Small Business Financing Forum

Small businesses and entrepreneurs in the Greater Stockton Area are invited to participate in a Small Business Financing Forum. The Federal Deposit Insurance Corporation (FDIC) and the City of Stockton are partnering to host a dynamic gathering highlighting access to capital, financing, and business resources that will help businesses launch and/or expand, acquire working capital, inventory and equipment purchases. Participants will engage with various local experts representing banks, non-bank lenders, technical assistance providers, government agencies, and more!

There is no cost to attend this event, but registration is required. Registration will close on June 21, 2018, at 1:00 p.m. Continental breakfast and a boxed lunch will be provided.
