What is your vision for Stockton?

My vision for Stockton is a safe and vibrant community of opportunity that works for everyone and a place where every child is able to realize their full potential, as I was able to do.

How have you been involved in the community?

In addition to serving as a member of the City Council since 2012 where I have chaired the Audit Committee and Vice-Chaired the Legislative Committee, I have also founded the Reinvent South Stockton Coalition and the San Joaquin County Alliance for Boys and Men of Color. In addition, I worked with the University of the Pacific, The Housing Authority and the United Way to create Summer Success University, a summer literacy program for youth in Conway and Sierra Vista. Furthermore, I co-founded the Summer Success and Leadership Academy at UOP and founded the Phoenix Scholars, an organization that helps hundreds of students annually apply to college.

Describe any work experience you feel translates to public office.

I spent time in the White House Office of Intergovernmental Affairs, working with mayors and councilmembers nationwide to meet the needs of their constituents. In Stockton I have worked as an educator at the high school and college level, teaching the future of our community. Helping them to reach their potential gives me keen insight into the challenges and the opportunities facing our community. The discipline of being prepared, having to work in teams, and having to effectively communicate that teaching requires has served me well as a councilmember and will continue to do so as mayor.

Why would you make a good Mayor or Councilmember?

Stockton needs a problem solver and a leader, who is able to work to create coalitions to address our most pressing issues: public safety, economic development, and opportunities for youth. With my educational background and experience, and record of accomplishment I am the person for the job. Over the past 3 years on City Council, I have been able to draw attention and resources to the needs of my district and have been successful in partnering to open health clinics, financial institutions, working with the police department to improve police community relations, creating a strategic and cross-sector long-term plan for the district and in getting the community involved in

making neighborhoods safer. This success I plan to bring city-wide as mayor.

Furthermore, I was born and raised in Stockton and chose to come back because I believe deeply in the potential and possibilities of our community. With my leadership, I am confident that together we can reinvent Stockton.

Completion of this form is voluntary. It is made available to the public, the newspaper and other media in response to inquiries about candidates.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group, that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics, that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.
