

Neighborhood Action Committee (NAC) Meeting Comments September 11, 2009

General Comments

- For great car show photos – search “Miracle Mile Night”, Flickr.com.
- The NAC should inculcate a feeling of “family,” cohesiveness.
- We should have an executive committee with at large position.
- We should apply for non-profit status eventually, in order to apply for funding money.
- What is the ideal size for the NAC? 11 may be unwieldy.
- Educate the neighborhood – organize by blocks.
